

ILS SAILING – REGATTA REPORT

DATE: Saturday, Oct. 2
EVENT: SAISA-South #1, In District Regatta
LOCATION: Virginia Key hosted by St. Thomas Aquinas & Pinecrest
RESULTS: ILS – 1st place of 17 varsity teams: [VARSITY RESULTS HERE](#)
[JV RESULTS HERE](#)

ILS dominated its first district sailing regatta on Saturday winning both A and B divisions with just 23 total points. The 2nd place school finished with almost double at 45 points and third place had 80 points! Both the ILS A and ILS B boats won their divisions with 1st place finishes in the large fleet in half of the races. Most noteworthy was the A division who had to restart the race Race 4 after being called over the line early and consequently started the race dead last, 1 minute after the start and came back to finish 3rd in the race out of 30 boats – which was this boat's worst finish of the day!

Notably, for the first time, the ILS raced a JV boat and finished 2nd of 14 total teams which demonstrates the growth of the team and depth of talent that is being cultivated. In sporty conditions of 14-18 knots of breeze, there were several capsizes and exciting spectating with 6 full sets completed.

Division A was skippered by Justin Callahan with junior Danny Riano and sophomore Jadin Gonzalez alternating as crew. Division B was skippered by Mitchell Callahan with senior Brianna Ross as crew. Driving JV Division A was sophomore Umi Noritake with Caroline Caudron as crew. Driving JV Division B was freshman, Keith Grupenhoff, with Holland Ramos as skipper.

By way of background, the South Atlantic District (SAISA) South division encompasses the state of Florida, except the Florida Panhandle, and the Caribbean. The team will next compete on October 23 in Jensen Beach for its 2nd in district regatta.

Score history

The following chart shows the relative rank of the teams as of the race indicated. Note that the races are ordered by number, then division, which may not represent the order in which the races were actually sailed.

The first place team as of a given race will always be at the top of the chart. The spacing from one team to the next shows relative gains/losses made from one race to the next. You may hover over the data points to display the total score as of that race.
