RE: 2025-2026 iPad Program

Dear Parents,

Immaculata-La Salle High School is committed to providing our students access to the most current and competitive learning technologies. Our dynamic, interactive student learning center, as well as our revolutionary computer graphics, television production, sound engineering and STEM labs have fostered a 21st century learning environment on our campus. Our iPad program, iLearn@ILS, is an integral part of this environment, ensuring all students have improved access to learning technologies and online learning.

Our iLearn@ILS program provides each student 24/7 access (at a minimum) to a 256GB Wifi iPad. How does the school cover the expenses related to this initiative? Part of the total cost of tuition includes per school year a yearly iPad fee, custom protective case, apps purchased by the school, accidental insurance, infrastructure maintenance, student and parent training workshops, support through Apple, and more.

In 2012, iLearn@ILS was selected as an Apple Distinguished Program, recognized for innovation, leadership, and educational excellence. In 2017, ILS was selected as an Apple Distinguished School, recognized as a center of leadership and educational excellence, as well as demonstrating Apple's innovation initiatives for learning with technology. And in 2019 we were renewed once again with this honor. We look forward to many more award-winning years.

E-mail darecinos@ilsroyals.com with any questions regarding our program.

Yours faithfully,
