Good afternoon,

Welcome to the 2026–2027 school year!

You may be familiar with PlusPortals as the platform previously used by Immaculata-La Salle and other Archdiocese of Miami schools to access grades, attendance, schedules, report cards, and school communications. Beginning this school year, the Archdiocese of Miami has adopted PowerSchool as its new Student Information System. As a result, PlusPortals has been discontinued and is no longer available. PowerSchool will now serve as the primary platform for student and parent information and communication.

This is an important update regarding parent access as we continue the implementation of PowerSchool at our school:

Currently, parent access to the PowerSchool portal is not available because the enrollment campaign is still underway. Once all student and parent contact information has been verified, you will receive an email with instructions on how to activate your PowerSchool parent account.

The Schoology parent access is also now linked to the PowerSchool account. As a result, any previous Schoology parent username/password no longer works. After PowerSchool parent accounts are enabled, we will send additional instructions on how to access Schoology through PowerSchool.

In addition, we are phasing out the use of ILS parent email addresses. Parent communications regarding PowerSchool will be sent to the personal email address associated with the parent contact information in PowerSchool.

We appreciate your patience and understanding as we complete this transition.

Sincerely,

Mrs. Orelle – Dean of Academics

Mrs. Rodriguez – Dean of Innovation
